WorldSpy's 110% Low Price Guarantee

We want our customers to have the best online shopping experience at Worldspy.com. If you find an item advertised for less with another online retailer, local retail store, or manufacturer's authorized dealer (stocking the same new item available for sale with a Manufacturer's warranty in a factory-sealed box), we will beat the price.

Here's how our guarantee works:

If you find an identical item with a lower price from a competitor, we will match the price and credit you 10% of the difference toward your next WorldSpy purchase!

- **After Purchase Credit:** In the event that a lower price has been discovered from a competitor, or appears on our own site, within 30 days after the product has been purchased from Worldspy.com, the customer will be issued the difference **plus** 10% of the difference in WorldSpy credit (SpyBucks). You may use this credit on the Worldspy.com site for up to 12 months after the date of issuance.
- **Pre-Purchase Credit:** If the product has not been purchased and is sighted at a lower price with a competitor, we will offer the product for sale immediately at the lower price. Additionally, we will provide our customers 10% of the difference in WorldSpy credit (SpyBucks). You may use this credit on the Worldspy.com site for up to 12 months from the date of issuance provided the purchase is made within 24 hours.
- When comparing competitors' online prices, shipping and handling charges will be included in the price calculation.
- Price matching is subject to providing proof of the manufacturer's part number and proof that the product is in stock and available for immediate delivery. The URL of the product on an online competitor's site, an advertisement, or invoice page must be presented to receive credit.
- The terms of this guarantee are subject to change without notice.

Returns

Customer satisfaction is one of our highest priorities and we've worked hard to create a problem-free process to return WorldSpy merchandise. All you have to do is submit a convenient [online form](#) with step-by-step instructions to return an item.

Shipping

WorldSpy ships orders within the Continental United States (the 48 contiguous states) and to Alaska and Hawaii. Shipping services are provided by UPS and FedEx. Please Note: We cannot ship to Post Office (PO) Boxes at this time.

Items may be shipped either Standard Ground or 3 Day Air. Unless Specified, your order will be shipped Standard Ground for items within the Continental US and by standard 3-Day Air method to Alaska and Hawaii. Please see our [Shipping Options](#) page for shipping costs.

Sales Tax

In general, the price you see is the price you pay. But, where required by law in select states, WorldSpy must add applicable sales tax to your purchase.

Any applicable tax on your order is automatically calculated at Checkout time, using the state-of-the-art TAXWARE® Internet sales tax calculation system. It's quick, accurate and efficient.
